

SocialScreen™ Themed Interactive Wall Projections

Transform waiting areas, long lines, hallways or ambient spaces into immersive attractions!

SocialScreen™ can be adapted to reflect any theme or branding message.

- **Themed Entertainment**
Perfect for sports, advertising, or theme parks, visitors interact with your brand while having fun.
- **Educational**
Themed with your specific education content, visitors interact with facts, insights or trivia on your particular topic.
- **Donor recognition**
Recognize donors to your institution in a themed immersive exhibit.

Description and Time Frame

SocialScreen™ uses your body's image to interact with an immersive wall projection. *SocialScreen™* requires 3 months from contract signing to installation for customization and install.

Please contact our studio for a complimentary consultation to discuss the customization of *SocialScreen™* for your project.
